

DB 110 plus

Hearing Aid Dry Box – Compact storage box, keeps hearing aids dry from moisture and clean from bacteria

FEATURES:

- Uses gentle dry heat to remove moisture and condensation.
- Controlled drying under UV condition.
- Removable plastic tray.
- Environmentally friendly – No costly chemicals or desiccants needed.
- Powerful UV light inhibits bacteria growth which can cause itchy ears.
- Built in battery tester, no more throwing away batteries pre-maturely and wasting money
- Easy to open – even for users with arthritis
- Simple one-touch operation
- Accommodates up to 2 pairs of hearing aids or Cochlear implant processors
- Compact and lightweight – Ideal for use at home or on the road
